

reshaping dance history - middlesex university - and social dance (vuillier) and also to the temporal
in relation to the time the books were published.ii it is not until the 1940s, particularly
in the united states, when **modern** is firmly used to describe a genre. (in britain, the term
contemporary evolved as a way of avoiding the genre-based association with ballroom and
modern theatrical dance.)iii the dance history ... **a history of dancing - search engine** - dance
